- No employee may give or loan compensatory time to another employee.

The employee will need to document a separate timesheet for their volunteer hours with the Rescue Squad or Fire Department. After the Rescue Squad or Fire Department Head has dismissed the employee from the call and it is still within the scheduled working hours, the employee must report back to their department to finish out their day.

The Rescue Squad and Fire Department designated Per Diem will be earned on any emergency call outside of regular working hours.

Employees who are found falsifying timesheets will be subject to disciplinary action up to and including dismissal.

Every effort will be made to allow all employees off on each designated holiday. If it is necessary for an employee to work on a holiday, the employee will be paid at 1½ times the regular hourly rate regardless of the hours worked in the work week in which the holiday falls.

D. **VACATION LEAVE**

Full-time employees with less than ten (10) years of service shall earn two weeks (10 days) of paid vacation per year. Full-time employees with ten (10) years or more of service shall earn three weeks (15 days) of paid vacation per year. In no case shall an employee be entitled to more than 10 days of vacation per calendar year for less than ten (10) years services or more than 15 days per calendar year for ten (10) years or more of service. **An employee is not eligible to use vacation time until the employee has completed six months of service.**

Part-time employees do not qualify for vacation leave. However, part-time employees promoted to full-time status may count their first full day and forward of part-time employment with the Hartsville/Trousdale County Government toward the fulfillment of the 6-month probationary period.

Use of Vacation Time

Vacation leave may be used only at times approved in advance by the employer. Vacation requests will be honored to the extent possible. If two or more employees request vacation for the same period of time, it will be the employer's decision as to whether this will create a hardship upon the department. If it is determined that it is not possible for both employees to be on vacation at the same time, the request of the employee who first asked for vacation time will be honored. No employee may give or loan vacation time to another employee. Vacation must be taken in the calendar year with no carry over. Vacation time will be lost if not used within the calendar year.

Termination of Employment

Upon the termination of employment of an employee, he shall be entitled to payment for any unused vacation time which has accrued. Payment shall be made based upon the daily rate of compensation the employee receives as of the time of termination.

E. **SICK LEAVE**

Earning Sick Leave

Sick leave shall be considered a benefit and privilege and not a right. Full time employees will receive full pay during incapacity caused by illness or accident if sick leave is taken. Sick leave is **earned at the rate of one day per month**, beginning with the first full month of employment as a full-time employee (i.e. 8 hours earned at the end of the first month – these 8 hours shall be available to use on the first day of the following month). The six-month probationary period shall not prevent the accrual of sick leave or use of earned sick leave during this time. *For retirement purposes, these days can build toward retirement with no maximum. This sick leave can be carried from one calendar year to the next.* Accumulated sick leave has no value except for the purpose granted, and in the event of separation (with the exception of retirement) all unused sick leave shall be forfeited.

General Sick Leave Rules and Procedures

An employee may utilize sick leave allowance for absence due to his own illness or injury or the illness or injury of an immediate family member (i.e., spouse, child, and parent). Sick leave may also be used for appointments with a licensed doctor, dentist or recognized practitioners. When appropriate, a partial sick day may be used rather than a full day. No employee may give or loan sick leave time to another employee.

Documentation of Sick Leave

Employees are required to notify the employer as early as possible on the first day of their sick leave absence. **An employee who claims sick leave and the sickness or injury causes the employee to miss three (3) or more consecutive work days, shall be required to furnish a certificate from a medical provider stating the nature of the sickness or injury on the day they return to work.** The doctor's statement should also provide that said employee has been incapacitated from work for the period of his absence, and that he is again physically able to perform his duties.

Exhaustion of Sick Leave

Employees who have used all their sick leave will not receive financial compensation for additional days needed due to illness or injury. For any additional time needed, the employee will be considered as on leave without pay status unless the employee has any accumulated vacation time or comp time remaining. The employee may request that additional sick leave be credited against the remaining vacation or comp time.

Leave of Absence Without Pay

After an employee has exhausted his/her accrued sick leave or has not completed the six (6) month probationary period, a leave of absence without pay may be granted at the discretion of the employer. A leave of absence without pay may also be granted as a reasonable accommodation to people with disabilities. The employee may be placed on a special leave without pay, or the employee may be terminated if he/she is unable to perform his/her job or another job with or without reasonable accommodation. If the employee should be able later to return to work, upon presentation of certification by a doctor, he/she shall be given preference for employment for which he/she is qualified to do. During periods of unpaid leave, the employee will not accrue vacation or sick leave benefits if in an unpaid leave status for more than ten (10) working days per month. The absence without pay leave shall not extend for a period in excess of six (6) months. Benefits will not be paid by the Hartsville/Trousdale Government during absence without pay. The employee may pre-pay benefits during this leave period to continue coverage.

For employees who have not yet completed their six (6) month probationary period, but are granted a leave of absence without pay status by the Elected Official/Supervisor the following shall apply:

All time worked prior to the "leave of absence without pay" status shall be counted toward the probationary period when said employee returns to work. In other words,

the employee will “pick up where s/he left off” in meeting the probationary period requirement.

Family and Medical Leave Policy

The Family and Medical Leave policy is applicable to both male and female employees who have worked at least twelve (12) months for the local government and who have worked at least one thousand two hundred fifty (1,250) hours during the preceding twelve (12) month period. Public agencies are covered without regard to the number of employees. Special rules apply for husbands and wives employed by the same employer, for highly compensated employees, and for local educational agencies.

People who are NOT covered include: elected officials, political appointees, volunteers, independent contractors, and legal advisors.

Under the act, an eligible employee may take up to 12 weeks of unpaid leave in a 12-month period for the birth and care of a child or the placement and care of a child for adoption or foster care. Leave may also be taken to care for the employee, a child, spouse, or a parent who has a serious health condition.

An expectant mother may take unpaid Family and Medical leave upon the birth of the child, or prior to the birth of the child, for necessary medical care and if her condition renders her unable to work. Similarly, for adoption or foster care, leave may be taken upon the placement of the child or leave may begin prior to the placement if absence from work is required for the placement to proceed.

An employee may take unpaid leave to care for a parent or spouse of any age who, because of a serious mental or physical condition, is in the hospital or other health care facility. An employee may also take leave to care for a spouse or parent of any age who is unable to care for his/her own basic hygiene, nutritional needs or safety.

Eligible employees who are unable to perform the functions of their position because of a serious health condition may also request up to twelve (12) weeks unpaid leave.

Employees requesting Family and Medical leave due to their own illness or injury shall use any sick leave or annual leave beginning with the date that Family and Medical leave commences. Family and Medical leave must commence upon ten (10) working days absence from the job and will be retroactive to the first day of absence. **All sick and annual leave will run concurrent with Family and Medical Leave.** The combination of sick leave, annual leave, and unpaid leave, however, may not exceed twelve (12) weeks. Employees requesting Family and Medical Leave may use unpaid leave. During periods of unpaid leave, an employee will not accrue any additional seniority or leave if off more than ten (10) working days

F. BEREAVEMENT LEAVE

In case of death in the employee's immediate family, the employee will be given three (3) working days paid leave which will not be charged to vacation leave. Immediate family shall be

defined as spouse, parent, children, brothers or sisters, mother-in-law, father-in-law, grandparents, grandchildren of the employee and legal guardians or dependents.

G. **VOTING LEAVE**

Under T.C.A. § 2-1-106, any person who is entitled to vote in an election held in Tennessee is entitled to take a reasonable amount of time off from work, up to three (3) hours, in order to vote during the time the polls are open in the County where the employee is a resident. The state law further provides that the employee cannot be penalized or suffer a reduction in pay due to the absence. There is an exception to this requirement – if the employee’s work period begins three or more hours after the opening of the polls or ends three or more hours before the closing of the polls, then the employer does not have to allow any time off from work. County employees who report to work 7 AM or before 10 AM will be allowed to leave work at 4 PM (if still at work) to exercise their right to vote. The employee will receive regular compensation during this period and leave time will not be affected. Voting time shall not be counted as working time for overtime computation.

H. **JURY AND COURT DUTY**

It is desirable for all employees to fulfill their duty to serve as members of juries or to testify when called in both Federal and State courts. Therefore, the following procedures shall regulate when an employee is called for jury duty or subpoenaed to court:

1. The employee will be granted a leave of absence when the employee is subpoenaed or directed by proper authority to appear in Federal or State court as a witness or juror.
2. The employee will receive his regular compensation during the time he is serving on jury duty.
3. The employee may retain all compensation or fees which he receives for serving as a Juror.
4. If the employee is relieved from court or jury duty during working hours, the employee must report back to his employer.

The above provisions concerning compensation for time in court do not apply if the employee is involved in private litigation. On these occasions, the employee must take vacation leave, comp time or leave without pay.

I. MATERNITY LEAVE

T.C.A. 4-21-408. Maternity Leave

1. A female employee who has been employed by the same employer for at least 12 consecutive months as a full-time employee, as determined by the employer at the job site or location, may be absent from such employment for a period not to exceed four (4) months for pregnancy, childbirth and nursing the infant, where applicable (such period to be hereinafter referred to as (maternity leave").
2. A female employee who gives at least three months advance notice to her employer of her anticipated date of departure for maternity leave, her length of maternity leave, and her intention to return to full-time employment after maternity leave, shall be restored to her previous or a similar position with the same status, pay, length of service credit and seniority, wherever applicable, as of the date of her leave.
3. A female employee who is prevented from giving three months advance notice because of a medical emergency which necessitates that maternity leave begins earlier than originally anticipated, shall not forfeit her rights and benefits under this part solely because of her failure to give three months advance notice.
4. Maternity leave will be without pay. Maternity leave shall not affect the employee's right to receive vacation time, sick leave, bonuses, advancement, seniority, length of service credit, benefits, plans or programs for which she was eligible at the date of her leave, and any other benefits or rights of her employment incident to her employment position; provided, however, that the employer need not provide for the cost of any benefits, plans or programs during the period of maternity leave unless such employer so provides for all employees on leave of absence.
5. If an employee's job position is so unique that the employer cannot, after reasonable efforts, fill that position temporarily, then the employer shall not be liable under this part for failure to reinstate the employee at the end of her maternity leave period.
6. The purpose of this part is to provide leave time to female employees for pregnancy, childbirth, and nursing the infant, where applicable; therefore, if an employer finds that the female employee has utilized the period of maternity leave to actively pursue other employment opportunities, or if the employer finds that the employee has worked part-time or full-time for another employer during the period of maternity leave, then the employer shall not be liable under this part for failure to reinstate the employee at the end of her maternity leave.
7. Whenever the employer shall determine that the employee will not be reinstated at the end of her maternity leave because her position cannot be filled temporarily or because she has used maternity leave to pursue employment opportunities or to work for another employer, the employer shall so notify the employee.
8. Nothing contained within the provisions of this law shall be construed:
 - A. To affect any bargaining agreement or local government policy which provides greater or additional benefits than those required under this part.
 - B. To require any employer to provide maternity leave to male employees;
 - C. To apply to any employer with fewer than one hundred (100) full-time employees on a permanent basis at the job site or location.

J. IN LINE OF DUTY INJURY LEAVE

An employee sustaining an injury during the course and scope of his employment which is determined to be compensable under the provisions of the Worker's Compensation Law shall

be entitled to receive in-line-of- duty injury leave. This leave shall not be counted against any accrued sick leave which the employee has accumulated. Benefits which are receivable by the employee will be determined by the provisions of the Workers' Compensation Law.

All injuries arising out of and in the course of one's employment shall be governed by the Tennessee workers' compensation law. Employees on occupational disability leave shall receive only those benefits due under workers compensation.

Should an employee be unable to return to work within three (3) months from the day following the date of injury, the employee may be subject to separation only if he/she:

1. Cannot perform the essential functions due to a disability that cannot reasonably be accommodated;
2. Poses a direct threat to himself/herself and/or others
3. Is unable to perform the essential functions due to a temporary condition or disability not protected by the ADA.

K. ADMINISTRATIVE LEAVE WITH PAY

Absence with pay for administrative purposes may be granted by the employer as long as funding is available for such leave. Such leave must be for a good cause as determined by the employer. This leave shall not exceed three (3) working days per year unless exceptional circumstances exist.

L. MILITARY LEAVE

Any employee who has successfully completed the probationary period, and who is a member, or may become a member of any reserve component of the armed forces of the United States or of the Tennessee Army and Air National Guard, will be entitled to a leave of absence from their respective duties for periods of military service during which they are engaged in the performance of duty or training in the service of this state, or of the United States, under competent orders. While on such leave, the employee will be granted paid leave up to twenty (20) days in any one (1) calendar year. Qualified employees who seek paid leave under this policy must provide the official order calling for their service or training to their supervisor. It is the responsibility of the employee to make arrangements with their department head for leave to attend monthly meetings on regular off-time, with the expectation that the paid leave granted herein will be applied to the annual training periods required for reservists.

Any employee who has successfully completed their probationary period and who is a member of the armed forces of the United States (including the Army, Army Reserves, Army National Guard, Navy, Naval Reserve, Marine Corps, Marine Corps Reserve, Air Force, Air Force Reserve, Air National Guard, Coast Guard, Coast Guard Reserve, Commissioned Corps of the Public Health) who is called to active duty will be placed on military leave. Continued health insurance coverage will be offered up to 18 months, with the employee paying premiums due for such policy. An employee wishing to continue health

insurance coverage during their military leave shall provide a mailing address where notices of premium payments due may be sent.

The process for reinstatement of employees returning from military leave begins when the employee submits an "application for re-employment." Said applicant must be submitted:

- on the first work day back for employees deployed 30 days or less;
- within 14 days of the end of service for employees deployed up to 180 days; and
- within 90 days of the end of service for employees deployed 181 days or longer

M. TERMINATION PAY

An employee, whose services are being terminated, either voluntarily or involuntarily, shall be paid for all regular earnings which are due and accrued plus all accrued vacation time, overtime and compensatory time. The employee will not be compensated for any unused sick leave days. In the event of death, the amount owing to the employee shall be paid to his estate or to the surviving spouse as may be required by law.

N. PART-TIME EMPLOYEES

A part-time employee designation will be used for those employees whose regular assigned work schedule is less than thirty-two (32) hours per week. The benefits set out in this manual are intended to apply only to full-time employees. These rules and regulations are not intended to establish paid leave of any kind for part-time employees.

SECTION V-2: BENEFITS APPLYING TO FORMER TOWN OF HARTSVILLE EMPLOYEES ONLY

All employees of the former Town of Hartsville are governed by the benefit policies listed in Section V-1. Also, the following exceptional benefits are provided as a part of the provisions of the Hartsville/Trousdale County Charter which protect the benefits of those employed by the former Town of Hartsville prior to January 1, 2001.

A. HOLIDAYS

Former Town of Hartsville employees shall receive the same holidays as are given to all former Trousdale County employees and new hires of the Hartsville/Trousdale County Government (refer to Section V.1.B.). This does not constitute a loss of benefits for former Town of Hartsville employees regarding the former Town giving the day after Christmas as a holiday. This holiday benefit is merely changed from the day after Christmas to Christmas Eve. Former Town employees still will receive 2 days holiday for Christmas.

B. HOLIDAY PAY

When an employee must work on a holiday, the employee will be paid at the rate of two-times (2) their regular pay rate for all scheduled time worked on the day observed as the holiday (double time).

C. VACATION LEAVE

All full-time employees of the former Town of Hartsville shall be entitled to annual leave days per month in accordance with the number of years worked as follows:

REGULAR FULL-TIME EMPLOYEES (40 HOURS)

YEARS OF SERVICE	DAYS EARNED PER MONTH	MAXIMUM ACCRUAL
LESS THAN 10	1.0 DAY	30 DAYS
10 BUT LESS THAN 15	1.5 DAYS	36 DAYS
15 BUT LESS THAN 20	1.75 DAYS	39 DAYS
OVER 20	2.0 DAYS	42 DAYS

Annual leave shall be computed from July 1st of each fiscal year. Annual leave earned in a calendar year shall be taken during the following calendar year. Annual leave shall not accrue beyond the maximum allowed accrual (see table above). Employees may not borrow against future vacation leave nor may they transfer it to other employees.

Annual leave, so far as practical, will be granted at the time desired by employees, but annual leave in each department must be scheduled to assure orderly operation and adequate, continuous service to the public. Department heads must plan with employees in their department an orderly annual leave schedule. Holidays, as defined above, shall not be counted as annual leave days, however, if a holiday falls on an employee's scheduled vacation leave day, the employee shall be credited with another vacation day in lieu of the holiday.

In the event of resignation, termination, layoff, or a leave of absence, the employee shall not lose any accumulated vacation leave and shall be paid for the unused vacation leave on the employee's last pay check. With the approval of the department head or the County Executive, an employee may receive payment of wages in lieu of vacation time. This can occur no more than two consecutive years.

D. SICK LEAVE

All former Town of Hartsville employees shall be given one-half (1/2) day of sick leave with pay for each month of work for the Hartsville/Trousdale County Government to a maximum accumulation of thirty (30) days.

Sick leave may be granted for:

1. Personal illness or physical incapacity resulting from causes beyond the employee's control.
2. Exposure to contagious disease so that the employee's presence at work might jeopardize the health of others;
3. Medical, dental, optical or other professional treatments or examinations;
4. Acute illness of a member of the employee's immediate family (i.e., spouse, parents, sibling, children, in-laws, grandparents).

5. Pregnancy, adoption, and the birth of a child.

Upon termination or resignation, any unused sick leave shall not be cashed in for compensation and shall be forfeited by the employee. When an employee is separated from the town due to lay-off, the employee's accumulated sick leave will be banked and made available to the employee upon re-employment. Employees may not borrow against future sick leave or transfer earned sick leave to another employee.

NOTE: BENEFIT POLICIES HEREIN LISTED ABOVE FOR THE FORMER TOWN OF HARTSVILLE EMPLOYEES TAKE PRECEDENT OVER OTHER BENEFIT POLICIES ADDRESSED ELSEWHERE IN THIS DOCUMENT, SHOULD THERE BE A CONFLICT IN THE DIRECTIVE OF THESE POLICIES.

SEE ATTACHMENT - COUNTY ATTORNEY INTERPRETATION OF FORMER TOWN OF HARTSVILLE VACATION AND SICK LEAVE POLICIES.

SECTION VI – SEPARATIONS AND DISCIPLINARY

ACTIONS

A. TYPES OF SEPARATIONS

All separations of employees from positions with the local government shall be designated as one of the following types and shall be accomplished in the manner indicated: Resignation, layoff, death, retirement, dismissal and suspension. At the time of separation and prior to final payment, all records, assets and other items of local government property in the employees' custody must be transferred to the department where he or she was employed. Any amount due because of shortages shall be withheld from the employee's final compensation.

Resignation

In the event an employee decides to leave the local government's employ, a two (2) week notice shall be given to his/her supervisor so that arrangements for a replacement can be made. In such a case, employees will be expected to return any or all local government equipment assigned. **An unauthorized absence from the work place of a period of three (3) consecutive working days shall be considered by the department head as a resignation.** If a former employee returns to local government employment, his/her status of seniority, pay leave, etc. will be the same as any new employee beginning work for the first time unless circumstances require a higher rate (inability to recruit qualified candidates).

Layoff

The department head may layoff an employee in the local government service when he/she deems it necessary by reason of shortage of funds, the abolition of a position, or other material changes in the duties or organization of the employee's position or for related reasons that are outside the employer's control and that do not reflect discredit upon the employee's service. Temporary employees shall be laid off before probationary or regular employees. The order of layoff shall be in reverse order to total continuous time served upon the date established for the layoff to become effective.

Disability

An employee may be separated for disability when he/she cannot perform the essential functions of the job because of physical or mental impairment that cannot be accommodated without undue hardship or because the disability poses a direct threat to the health and safety of others. Action may be initiated by the employee or the local government, but in all cases, it must be supported by medical evidence and the disability must prevent the employee from performing the essential functions of the job. The local government may require an examination at its expense to be performed by a licensed physician of its choice.

Retirement

Whenever an employee meets the conditions set forth in the retirement system's regulations, he/she may elect to retire and receive all benefits earned under the appropriate retirement system. Employees should notify their appropriate department head at least thirty (30) days in advance of retirement.

Death

Upon the death of a full-time regular employee, his/her beneficiary will receive his/her next due payroll check and pay for accrued vacation time. Further, his/her beneficiary shall be given complete assistance by the local government personnel department in settling pension, life, and hospital insurance benefits, if such benefits have been provided by the local government. Separation shall be effective as of the date of death of an employee.

B. DISCIPLINARY ACTION

Whenever an employee's performance, attitude, work habits, or personal conduct fall below desirable level, supervisors shall inform employees promptly and specifically of such lapses and shall give them counsel and assistance. If appropriate and justified, a reasonable period of time for improvement may be allowed before initiating disciplinary action. In some instances, a specific incident in and of itself may justify severe initial disciplinary action; however, the action to be taken depends on the seriousness of the incident and patterns of past performance and conduct.

For the purposes of definition, a Department Head can be any of the following positions: County Mayor, any of the Constitutional Officers, the Clerk and Master, the Circuit Court Clerk, or the Head of a specific Department within General County Services. For the purposes of definition supervisor can be the Department Head or an individual officially designated by the Department Head to oversee operations as directed by the Department Head.

The types of disciplinary action are:

1. Oral Reprimand

Whenever an employee's performance, attitude, work habits, or personal conduct fall below a desirable level, the Department Head shall inform the employee promptly and specifically of such lapses and shall give him/her counsel and assistance. If justified, a reasonable period of time for improvement may be allowed before initiating disciplinary actions. The Department Head may place a memo in the employee's file stating the date of the oral reprimand, what was said to the employee, and the employee's response. After sixty (60) days, the oral reprimand may be removed from the file.

2. Written Reprimand

In situations where an oral warning has not resulted in the expected improvement or when more severe initial action is warranted, a written reprimand will be delivered to the employee, and a copy will be placed in the employee's personnel folder. The Department Head administering the reprimand shall advise the employee that the action is a written reprimand and emphasize the seriousness of the problem; cite previous corrective actions and/or informal discussions relating to the offense; identify

the problem and/or explain the offense; inform the employee of the consequences of continued undesirable behavior; detail corrective actions and identify dates by which the correction actions shall be taken.

At the conclusion of a conference with the employee, a signed copy of the written reprimand will be given to the employee and a copy placed in the employee's personnel folder. It is recommended that the affected employee sign the written reprimand to indicate that he/she has seen the document and to acknowledge receipt of the employee's copy. Should the employee refuse to sign the written reprimand, the Department Head will obtain a witness to sign and date the form and so indicate the employee's refusal to sign. An employee who disagrees with the written reprimand may place a written statement of his/her objection in the personnel file.

3. Suspension

An employee may be suspended with or without pay by his/her Department Head. The suspension will not exceed a total of (ten) 10 days in any 12-month period. Pursuant to the appeals procedures, a written statement of the reason for suspension shall be submitted to the employee affected at least 24 hours prior to the effective date of suspension. Under certain circumstances, an employee may be suspended without 24-hour notice, if in the best interest of the local government. The decision to suspend without notice must be made by the Department Head. During the advance-notice period, the employee may be retained in active-duty status, placed on leave, or suspended with or without pay at the discretion of the Department Head. The employee will be granted a hearing before the Department Head upon request, pursuant to the appeals process. An employee determined to be innocent of the charges shall be returned to duty with full pay for the suspension period. All records associated with a suspension shall become a permanent part of the employee's personnel file unless the employee is determined to be innocent of the charges.

4. Dismissal

The Department Head may dismiss an employee for just cause that is for the good of the local government service. Reasons for dismissal may include, BUT ARE NOT LIMITED TO:

- Misconduct
- Negligence
- Incompetency or inefficiency in performing duties
- Conviction of a criminal offense or of a malfeasance involving moral turpitude
- Violating any lawful and reasonable regulation, order, or direction made or given by a superior, or insubordination that constitutes a serious breach of discipline
- Being intoxicated, drinking any intoxicating beverages, or being under the influence of a drug or narcotic while on duty
- Theft, destruction, carelessness, or negligence of local government property
- Disgraceful personal conduct or language toward the public, fellow officers, or employees

- Unauthorized absences or abuse of leave privileges
- Incapacity to perform the essential functions of a job because of a permanent or chronic physical or mental defect that cannot be reasonably accommodated
- Accepting any valuable consideration that was given with the expectation of influencing the employee in performing his/her duties
- Falsifying records or using official position for personal advantage
- Loss of an employee's driver's license and driving privileges by due process of law when the employee's position makes operating a motor vehicle necessary in performing his/her duties
- Violating any of the provisions of the local government charter, personnel ordinance, or these rules

Pursuant to the appeals procedure, the employee shall be furnished an advance written notice containing the nature of the proposed action, the reasons therefore, and the right to appeal the charges orally or in writing before the Department Head. When possible, the notice shall be furnished at least one calendar week prior to the proposed effective date of the action. During this period, the employee may be retained on duty status, placed on leave, or suspended with or without pay at the discretion of the Department Head. If the employee fails to respond to the advance notice, the proposed action shall be effective on the date specified with no need for further action.

If the employee requests a hearing on the proposed action, the Department Head shall promptly set a date and time for the hearing and shall carefully consider all evidence presented before making a decision. **The decision of the Department Head shall be final.**

C. GRIEVANCE PROCEDURES

A grievance is defined as an employee's feeling of dissatisfaction, and any differences, disagreements, or disputes arising between an employee and his/her supervisor and/or employer regarding some aspect of his/her employment, application or interpretation of regulations and policies, or some management decision affecting him/her. A grievance may be something real, alleged, or a misunderstanding concerning only administrative orders involving the employee's health, safety, physical facilities, equipment or materials used. Such misunderstandings, complaints, points of view, and opinions will be considered a grievance, except in cases where they relate to personnel actions arising out of pay, suspension, and dismissal.

It is the local government's desire to address grievances informally, and both supervisors and employees are expected to make every effort to resolve problems as they arise. However, it is recognized that there will be occasional grievances that will be resolved only after a formal appeal and review. Employees who have a complaint or grievance may discuss the grievance with their immediate supervisor, a higher-level supervisor, and/or the Department Head.

Every employee may present a complaint or grievance under the provisions of the grievance procedures free from fear, interference, restraint, discrimination, coercion, or reprisal. Steps of the grievance procedures are as follows:

STEP ONE:

The employee makes an oral or written presentation of the complaint or grievance to the supervisor within three (3) working days from the incident that prompted the grievance. It shall be the supervisor's responsibility to promptly investigate the circumstances surrounding the grievance, discuss the matter with the appropriate Department Head, and take action, if possible. The supervisor shall inform the employee in writing of the decision and any action taken shall be taken within three (3) days from the date the grievance was filed, if appropriate. The supervisor shall prepare a written report of the complaint or grievance and provide a copy of it to the Department Head. Any supervisor in the chain-of-command shall attach his/her recommendation regarding the unresolved complaint or grievance if it proceeds to a higher level. No supervisor may hold a complaint longer than 72 hours without forwarding it to the next supervisory level.

STEP TWO:

If the grievance cannot be resolved on an informal basis between the employee and supervisor, the employee may proceed to the second procedural step. Before proceeding, an employee must reduce the complaint or grievance to writing and request that the written statement be delivered to the Department Head. If an employee wishes a hearing, the Department Head will accommodate the employee. Upon hearing the grievance, the Department Head must provide a written response to the employee and the immediate supervisor within three (3) days (72 hours) of the hearing.

STEP THREE:

If the grievance is not resolved with the Department Head, the employee may request in writing a hearing with the County Mayor. If applicable, the employee may request in writing a hearing with the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk. The County Mayor shall have ten (10) working days to schedule the hearing, after which the County Mayor shall provide a written response to the employee with copies to the department had and immediate supervisor. If applicable, the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk shall have ten (10) working days to schedule the hearing, after which the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk shall provide a written response to the employee with copies to the department had and immediate supervisor. Every attempt will be made to resolve the employee's grievance.

STEP FOUR:

If the grievance is not resolved with the County Mayor, the employee may request that his/her written complaint be heard by the governing body. If applicable, if the grievance is not resolved with the Constitutional Officers, the Clerk & Master, or the Circuit Court Clerk, the employee may request that his/her written complaint be heard by the governing body.

D. POLICIES GOVERNING GRIEVANCE AND APPEALS PROCEDURES

An employee with a grievance shall be notified in writing of his/her rights to:

- A grievance or appeals hearing as specified in this policy;
- Receive written notification of the reason for the action that led to the grievance;
- Be represented at all stages of the grievance proceedings by legal counsel retained at the employee's expense;
- Present witnesses in his/her own behalf and cross-examine witnesses in support of the local government's actions;
- Examine and copy all documents that will be used by the local government as justification for its actions;
- Be free from threats, coercion, intimidation, or discrimination from other employees because he/she has made complaints, testified, or assisted in any manner in the above-stated grievance and appeals procedures.

An employee must submit the request to the County Clerk for an appeal before the County Commissioners within three (3) calendar days of receiving notification of the action in question and must state his/her intent to have representation and to name the representatives. The County Clerk shall schedule a hearing not later than the next regular Commission meeting of receiving the employee's request for appeal. The action of the County Commission shall be final and binding on all parties involved, unless appealed to the Chancery Court by the employee.

Action on Complaints of Sexual Harassment

Upon receiving an investigation report of a sexual harassment complaint, the Department Head, Human Resources Manager, or County Attorney shall immediately review the report. If the Department Head, Human Resource Manager, or County Attorney determines that the report is not complete in some respect, he/she may question the person complaining of sexual harassment, the person against whom the complaint has

been made, witnesses to the conduct in question, or any other person who may have knowledge about the harassment.

Based upon the report and his/her own investigation (where a separate investigation is made), the Department Head, Human Resource Manager, or County Attorney shall, within a reasonable time, determine whether the conduct in question constitutes sexual harassment. In making that determination, the Department Head, Human Resources Manager, or County Attorney shall look at the record as a whole and at the totality of circumstances, including the nature of the conduct, the context in which the alleged actions occurred, and the behavior of the person complaining. The decision of whether sexual harassment actually took place will be determined on a case-by-case basis.

If the Department Head, Human Resources Manager, or County Attorney determines that the harassment complaint is founded, he/she shall take immediate and appropriate disciplinary action against the guilty employee, consistent with his/her authority under the Metro government charter, ordinances, resolutions, or rules governing his/her authority to discipline employees. If the Department Head, Human Resources Manager, or County Attorney feels that the harassment warrants disciplinary action stronger than he/she is authorized to impose by the charter, ordinances, resolutions, or rules governing employee discipline, he/she shall make that determination known, along with the report of the investigator, to the governing body of the Metro government. If the governing body determines that the sexual harassment complaint is founded, it may discipline the employee consistent with its authority under the Metro government charter, ordinances, resolutions, or rules governing employee discipline.

The disciplinary action shall be consistent with the nature and severity of the offense, the employee's rank, and any other factors the governing body believes relate to fair and efficient administration of the local government. This includes, but is not limited to, the effect of the offense on employee morale, public perception of the offense, and the light in which it casts the local government. The disciplinary action may include demotion, suspension, dismissal, warning, or reprimand. Determining the level of disciplinary action shall also be made on a case-by-case basis. A written record shall be kept of imposed disciplinary actions, including verbal reprimands.

In all events, an employee found guilty of sexual harassment shall be warned not to retaliate in any way against the person making the complaint, witnesses, or any other person connected with the investigation.

In cases where sexual harassment is committed by a non-employee against a Metro government employee in the workplace, the Department Head, Human Resources Manager, or County Attorney shall take whatever lawful action is necessary against the non-employee to bring the sexual harassment to an immediate end.

Obligation of Employees

Employees are not only encouraged to report instances of sexual harassment; they are **obligated to report them**. Employees are also obligated to cooperate in every harassment investigation. The obligation includes, but is not necessarily limited to, coming forward with evidence (both favorable and unfavorable) about a person accused of such conduct, fully and truthfully making written reports, or verbally answering questions when required to do so by an investigator. Employees are also obligated to refrain from making bad faith accusations of sexual harassment.

Disciplinary action may be taken against employees who fail to report instances of sexual harassment, fail or refuse to cooperate in the sexual harassment investigation, or file a complaint of sexual harassment in bad faith.

T. NEPOTISM

The County's nepotism policy prevents immediate relatives from being in a direct supervisory line with respect to each other. To guard against these practices, the County prohibits employees who are relatives from being placed within the same line of supervision where one relative is responsible for supervising the job performance of work activities of another relative.

This policy does not apply to individuals hired prior to December 31, 2011 and will not be retroactively applied. However, a transfer of position of an employee hired prior to December 31, 2011 will be governed by this policy to the extent that such an employee will not be transferred to a position where it would constitute a violation of this policy.

Moreover, to avoid the appearance of favoritism or bias, the County strongly discourages dating, romantic or intimate relationships between employees if one of the employees exercises supervisory control over the other employee. The County also strongly discourages married couples working in the same department especially if one of the employees exercises supervisory control over the spouse. If such a situation should arise, the County reserves the right to transfer one or both employees and take any additional action that the County deems appropriate.

Couples married prior to the effective date of this policy will be encouraged to transfer but will not be required.

For purposes of this policy, "immediate relatives" shall include a spouse, parent, child, sibling, step-child, step-parent, grandchild, brother, sister, foster brother, foster sister, grandparent, mother-in-law, father-in-law, sister-in-law, brother-in-law, grandparent-in-law, other family members who resides in the same household, and/or significant other.

U. PERFORMANCE EVALUATION

This review is to establish and promote high morale among Trousdale County Metropolitan Government employees by providing professional working relationships. A uniform Personnel Policy, opportunity for advancement and consideration for employee needs and desires.

V. MULTIPLE JOBS / DUAL EMPLOYMENT

W. SPECIALIZED TRAINING

Specialized training will provide for the assignment of regular employees to recognized educational and professional institutions, facilities, and workshops to receive training which meets specific departmental needs for scientific, technical, professional and administrative skills. Thus, the Hartsville/Trousdale County Government management is provided with an additional and valuable means of ensuring that federal, state and local laws are complied with and that the methods and knowledge of the work force do not become obsolete.

All regular and full-time employees of the Hartsville/Trousdale County Government and certain probationary employees (for example, critical response positions), are eligible for job-related, specialized training assignments upon approval of the Department Director within departmental budget constraints. All out-of-state travel and training requires County Mayor approval before attendance.

Attendance at required training shall be considered working hours for non-exempt employees. If training ends before the normal work shift, the employee must return to the work site. If the training is not required for present job performance, accrued vacation leave may be authorized by the Department Director. If a Department Director is the person to take training not required for present job performance, the County Mayor must authorize any vacation leave to be taken for this purpose. Each employee on assignment to specialized training shall maintain satisfactory performance in the prescribed course of study.

The department will pay all training costs, including necessary and required tuition, books and expenses. However, such expenses will be paid no more than twice for any required course. Should the employee fail a mandatory examination twice, the employee desiring to take the course and/or examination again will bear the cost of the training and will attend on his/her time, utilizing vacation leave, or leave without pay.
