In the event any Note issued hereunder shall become mutilated, or be lost, stolen, or destroyed, such Note shall, at the written request of the registered owner, be cancelled on the Registration Books and a new Note shall be authenticated and delivered, corresponding in all aspects but number to the mutilated, lost, stolen, or destroyed Note. Thereafter, should such mutilated, lost, stolen, or destroyed Note or Notes come into possession of the registered owner, such Notes shall be returned to the Note Registrar for destruction by the Note Registrar. If the principal on said mutilated, lost, stolen, or destroyed Note shall be due within fifteen (15) calendar days of receipt of the written request of the registered owner for authentication and delivery of a new Note, payment therefor shall be made as scheduled in lieu of issuing a new Note. In every case the registered owner shall certify in writing as to the destruction, theft, or loss of such Note, and shall provide indemnification satisfactory to the County and to the Note Registrar, if required by the County and the Note Registrar.

Any notice to the contrary notwithstanding, the County and all of the officials, employees, and agents thereof, including the Note Registrar, may deem and treat the registered owner of the Notes as the absolute owner thereof for all purposes, including, but not limited to, payment of the principal thereof, and the interest thereon, regardless of whether such payment shall then be overdue.

Section 10. Authentication. Only such of the Notes as shall have endorsed thereon a certificate of authentication, substantially in the form set forth in Exhibit "A" hereto duly executed by the Note

Registrar shall be entitled to the rights, benefits, and security of this Resolution. No Note shall be valid or obligatory for any purpose unless, and until, such certificate of authentication shall have been duly executed by the Note Registrar. Such executed certificate of authentication by the Note Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Resolution as of the date of authentication.

Section 11. Source of Payment and Security. The Notes, as to both principal and interest, shall be payable from funds of the County legally available therefor and to the extent necessary from ad valorem taxes to be levied on all taxable property within the County without limitation as to time, rate, or amount. Said Notes shall be a direct general obligation of the County, for which the punctual payment of the principal of and interest on the Notes, the full faith and credit of the County is irrevocably pledged.

Section 12. Levy of Taxes. For the purpose of providing for the payment of the principal of and interest on the Notes, to the extent necessary, there shall be levied in each year in which such Notes shall be outstanding a direct tax on all taxable property in the County, fully sufficient to pay all such principal and interest falling due prior to the time of collection of the next succeeding tax levy. Said tax shall be assessed, collected, and paid at the time, and in the same manner, as the other taxes of said County, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay said principal of and interest on the Notes maturing in said year. Principal or interest falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from the general fund or other available funds of the County, but reimbursement therefor may be made from the taxes herein provided when the same shall have been collected. Such taxes levied and collected therefor shall be deposited in the County's debt service fund and used solely for the payment of principal of and interest on the Notes as the same shall become due.

Section 13. Approval of Director of State and Local Finance. Anything herein contained to the contrary notwithstanding, no Notes authorized under this Resolution shall be issued, sold, or delivered, unless and until such Notes shall first have been duly approved by the Director of State and Local Finance, as provided by Section 9-21-601 et. seq. Tennessee Code Annotated, as amended. The County Mayor, County Clerk, and Attorney for the County, are hereby authorized to take or cause to be taken such steps as are necessary to obtain such approval. After the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the County shall submit its annual budget to the Director of State and Local Finance for approval immediately upon the County's adoption of the budget.

Section 14. Sale of Notes. The Notes herein authorized are authorized to be sold by the County Mayor by the informal bid process at a price of not less than par and accrued interest.

Section 15. Disposition of Note Proceeds. The proceeds from the sale of the Notes shall be paid to the official of the County designated by law as the custodian of the funds thereof to be deposited in a special fund known as the "Sheriff's Department Capital Outlay Notes Project Fund" (the "Project Fund"), which is hereby authorized to be created, to be kept separate and apart from all other funds of the County. The monies in the Project Fund shall be disbursed solely to finance the Project. Monies in the Project Fund may be invested and shall be secured in the manner prescribed by applicable statutes relative to the investment and securing of public or trust funds. Any monies remaining in the Project Fund after completion of the Project shall be transferred to the County's debt service fund and used to pay debt service on the Notes.

Section 16. Designation of Notes as Qualified Tax-Exempt Obligations. The County hereby designates the Notes as "qualified tax-exempt obligations" within the meaning and for the purpose of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The County reasonably anticipates that the amount of tax-exempt obligations (other than obligations described in Section 265(b)(3)(C)(ii)) which will be

issued during the calendar year by the County (i) any issuer with respect to which the County is deemed to be an "on behalf of" issuer, and (ii) all subordinate entities which are treated as one issuer under Section 265(b)(3)(E) of the Code, will not exceed \$10,000,000, and not more than \$10,000,000 of obligations issued by the County (together with those issued by any other issuers that are treated as on issuer under such Section 265(b)(3)) during the 2015 calendar year will be designated as "qualified tax-exempt obligations".

Section 17. Non-Arbitrage Certification. The County certifies and covenants with the owner of the Notes that so long as the principal of any Note remains unpaid, monies on deposit in any fund or account in connection with the Notes, whether or not such monies were derived from the proceeds of the sale of the Notes or from any other source, will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code, and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The County reserves the right, however, to make any investment of such monies permitted by Tennessee law and this Resolution if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation, or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Notes subject to inclusion in gross income of the owner thereof for federal income tax purposes.

The County covenants that it shall comply with Section 148(f) of the Code, unless legally exempted therefrom and it represents that in the event it shall be required by Section 148(f) of the Code to pay "Rebatable Arbitrage," as defined in the regulations promulgated under the Code, to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming subject to inclusion in federal gross income of the owner of the Notes for purposes of federal income taxation.

Section 18. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the County and the owner of the Notes, and after the issuance of the Notes, no change, variation, or alteration of any kind in the provisions of this Resolution shall be made in any manner, until such time as all installments of the principal of and interest on the Notes shall have been paid in full or the consent of the registered owner of the Notes has been obtained; provided, however, that the County is hereby authorized to make such amendments to this Resolution as will not impair the rights or security of the owner of the Notes.

Section 19. No Action to be Taken Affecting Validity of the Notes. The County hereby covenants and agrees that it will not take any action, that would in any manner affect the validity of the Notes or limit the rights and remedies of the owner from time to time of such Notes. The County further covenants that it will not take any action that will cause the interest on the Notes to be subject to inclusion in gross income of the owner thereof for purposes of federal income taxation.

Section 20. Miscellaneous Acts. The County Mayor, the County Clerk, the County Trustee, and all other appropriate officials of the County are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications in connection with the purchase of the Notes, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution; or any of the documents herein authorized and approved; or for the authorization, issuance, and delivery of the Notes.

Section 21. Failure to Present Notes. Subject to the provisions of Section 3 hereof, in the event any Note shall not be presented for payment when the principal becomes due at maturity and in the event monies sufficient to pay such Note shall be held by the Note Registrar for the benefit of the owner thereof, all liability of the County to such owner for the payment of such Note shall forthwith cease, terminate, and be

completely discharged. Thereupon, the Note Registrar shall hold such monies, without liability for interest thereon, for the benefit of the owner of such Note who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Note, subject to escheat or other similar law, and any applicable statute of limitation.

Section 22. Payments Due on Saturdays, Sundays, and Holidays. Whenever the interest on or principal of any Note is due on a Saturday or Sunday or, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then the payment of the interest on, or the principal of, such Note need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the date of maturity; and no interest shall accrue for the period after such date.

Section 23. No Recourse Under Resolution or on Notes. All stipulations, promises, agreements, and obligations of the County contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the County and not of any officer, director, or employee of the County in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claim based thereon or under this Resolution against any officer, director, or employee of the County or against any official or individual executing the Notes.

Section 24. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions hereof.

Section 25. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect as of the date of its adoption the welfare of the County requiring it.

Approved and adopted this 24th day of August, 2015.

THE ZONING RESOLUTION OF TROUSDALE COUNTY, TENNESSEE

ARTICLE IV

SUPPLEMENTARY PROVISIONS APPLYING TO SPECIFIC DISTRICTS

4.050 CUSTOMARY INCIDENTAL HOME OCCUPATIONS

A home occupation is a gainful occupation or profession conducted entirely within the principal dwelling unit or approved accessory building by members of the household residing on the premises. The use of the dwelling unit or approved accessory building for the home occupation shall be clearly incidental and subordinate to residential purposes of the land. This section classifies all home occupations as "Minor Home Occupations" or "Major Home Occupations" and subject to the respective limitations prescribed. All other uses that are not considered under one of these classifications is prohibited under these regulations.

A. Minor Home Occupations

A minor home occupation is a limited accessory activity conducted on premises that in no way alters the residential character of the structure. Minor home occupations shall include offices for accountants, architects, artists, engineers and the like, and other uses that will not require an increased amount of traffic to and from the residence. Uses such as barber or beauty shops, auto or appliance repair, cabinet making and upholstery shops, dance or music studios with more than four (4) students at a time, or any similar use shall not be considered as minor home occupations. Due to the small scale of operation, minor home occupations are not required to obtain approval from the Board of Zoning Appeals. However, in order to assure that such activities remain within the limited scope of this provision, a use permit shall be obtained from the Building Inspector by the owner of the premises, or the renter provided prior consent in writing from the owner. The effective period for the use permit shall not exceed three (3) years. At the end of the period, renewal shall be granted upon receipt of properly documented certification that the minor home occupation continues to be operated within the limitations as described below:

1. A minor home occupation shall be conducted within a dwelling and shall be clearly incidental to the use of the structure as a dwelling. No more than twenty-five (25) percent of the floor area of the dwelling, whichever is less, may be utilized by the minor home occupation.
2. In no way shall the appearance of the structure be altered or the occupation within the residence be conducted in a manner that would cause the premises to differ from its residential character either by use of colors, materials, construction, lights, signs, or the emission of noise or vibration. Signs for minor home occupations are prohibited.

3. No traffic shall be generated by such minor home occupation by persons other than the occupants of the dwelling and any limited off-street parking as a result of the conduct of such home occupation.
4. Deliveries and pickups are permitted only by parcel post, United Parcel Service, or similar local delivery service trucks.
5. No minor home occupation shall involve the on-site use or storage of tractor trailers, semi-trucks, buses or heavy construction equipment.
6. No equipment or process shall be used in any minor home occupation that creates noise, vibration glare, fumes, odors, or electrical interference detectable to the normal senses off the lot. In the case of electrical interference, no equipment or processes shall be used which creates visual or audible interference in any radio or television receivers off the premises.
7. No outdoor display of goods or outside storage of equipment or materials used in the home occupation shall be permitted.
8. No home occupation shall require internal or external alterations or involve construction features or the use of mechanical or electrical equipment that would change the fire rating of the structure or the district in which the structure is located.
9. No more than one (1) person other than residents of the dwelling shall be employed at the location in the conduct of a minor home occupation.

The Building Inspector shall have the discretionary review of all minor home occupations, including whether or not a proposed activity is minor or major in nature. Any applicant aggrieved by the decision of the Building Inspector shall have the prerogative to appeal the decision to the Board of Zoning Appeals as an Administrative Review per Article VIII, Section 8.070 of this Resolution.

B. Major Home Occupations

Uses classified as major home occupations are those accessory activities conducted on premises that exceed the standards for Minor Home Occupations. Major home occupations may cause an increase in the amount of neighborhood traffic which may be in the form of persons served by the home occupation or by deliveries or pick-ups from the premises. All major home occupations require approval of an application for a permit as an appeal made by the owner of the premises to the Board of Zoning Appeals prior to engaging in the activity, in the process described in Article VIII, Section 8.070 of this Resolution, and subject to compliance with operational limitations imposed upon such use by virtue of being considered accessory to a principal use or activity as listed below. Major home occupations shall include barber and beauty shops, teaching of music and dance for over four (4) students at a time, small engine and appliance repair, upholstery shops, real estate offices, welding shops, woodworking shops, manufacturing or processing of garments, and other similar uses that in the opinion of the Board of Zoning Appeals would meet the criteria of a major home occupation.

The effective period for the major home occupation permit shall not exceed three (3) years. At the end of the period, renewal shall be granted upon receipt of properly documented certification that the major home occupation continues

to be operated as originally approved by the Board of Zoning Appeals within the operational limitations below. Any act of noncompliance may result in revocation of the home occupation permit, unless a new review by the Board of Zoning Appeals holds that the variation maintains the spirit and intent of these conditions.

1. The home occupation is to be conducted only by members of the family residing in the dwelling unit, plus no more than one (1) nonresident assistant or employee. Persons engaged in the building trades or similar fields, using their dwelling units or residential premises as an office for business activities carried on off-premises, may have more employees than the limitation set forth above, if such persons are not employed on the premises. Off-street parking for employees on premises should be incorporated within the proposal as described in 11. below.
2. In no case shall a home occupation be open to the public at times earlier than 8:00 a.m., or later than 10:00 p.m.
3. A home occupation shall be conducted within a dwelling and shall be clearly incidental to the use of the structure as a dwelling. No more than twenty-five (25) percent of the floor area of the dwelling, whichever is less, may be utilized by the home occupation. An accessory structure may be used for the activity provided such structure meets the criteria for accessory structures as defined in this Ordinance.
4. In no way shall the appearance of the dwelling or accessory structure be altered in a manner that would cause the premises to differ from its residential character either by use of colors, materials, construction, lights, signs, or the emission of noise or vibration. However, major home occupations are limited to one (1) sign and restricted to no greater than four (4) square feet in area.
5. No equipment or process shall be used in any home occupation that creates noise, vibration, glare, fumes, odors or electrical interference detectable to the formal senses off-premises. In the case of electrical interference, no equipment or processes shall be used which creates visual or audible interference in any radio or television receivers off-premises.
6. Products or goods produced or fabricated from raw materials, or items repaired on the premises as a result of the home occupation may only be sold and picked up from the premises.
7. Deliveries and pickups are permitted only by parcel post, United Parcel Service, or similar local delivery service trucks.
8. There shall be no storage of equipment, vehicles, bins, trailers, or supplies associated with the home occupation outside the dwelling or accessory building.

9. There shall be no display of products visible in any manner from outside the dwelling, including any on-site use, storage, or repair of vehicles, various repair items and discarded parts, construction machinery, and any equipment related to the home occupation.
10. No home occupation shall require internal or external alterations or involve construction features or the use of mechanical or electrical equipment that would change the fire rating of the structure. No use shall be permitted which involves the manufacture or storage of products that are dangerous in terms of risk of fire, explosion or hazardous emissions.
11. Off-street parking shall be provided with each request, the number determined as adequate by the Board.
 - a) Off-street parking can be provided on premises to accommodate the additional needs generated by the home occupation, including employees.
 - b) Any added parking will not detract from the visual appearance of the residence nor adversely impact adjoining properties or the public street.

A home occupation is a gainful occupation or profession conducted entirely within the principal dwelling unit or approved accessory building by members of the household residing on the premises. The use of the dwelling unit or approved accessory building for the home occupation shall be clearly incidental and subordinate to residential purposes of the land. This section classifies all home occupations as "Minor Home Occupations" or "Major Home Occupations" and subject to the respective limitations prescribed. All other uses that are not considered under one of these classifications is prohibited under these regulations.

A. Minor Home Occupations

A minor home occupation is a limited accessory activity conducted on premises that in no way alters the residential character of the structure. Minor home occupations shall include offices for accountants, architects, artists, engineers and the like, and other uses that will not require an increased amount of traffic to and from the residence. Uses such as barber or beauty shops, auto or appliance repair, cabinet making and upholstery shops, dance or music studios with more than four (4) students at a time, or any similar use shall not be considered as minor home occupations. Due to the small scale of operation, minor home occupations are not required to obtain approval from the Board of Zoning Appeals. However, in order to assure that such activities remain within the limited scope of this provision, a use permit shall be obtained from the Building Inspector by the owner of the premises, or the renter provided prior consent in writing from the owner. The effective period for the use permit shall not exceed three (3) years. At the end of the period, renewal shall be granted upon receipt of properly documented certification that the minor home occupation continues to be operated within the limitations as described below:

1. A minor home occupation shall be conducted within a dwelling and shall be clearly incidental to the use of the structure as a dwelling. No more than twenty-five (25) percent of the floor area of the dwelling, whichever is less, may be utilized by the minor home occupation.
2. In no way shall the appearance of the structure be altered or the occupation within the residence be conducted in a manner that would cause the premises to differ from its residential character either by use of colors, materials, construction, lights, signs, or the emission of noise or vibration. Signs for minor home occupations are prohibited.

3. No traffic shall be generated by such minor home occupation by persons other than the occupants of the dwelling and any limited off-street parking as a result of the conduct of such home occupation:
4. Deliveries and pickups are permitted only by parcel post, United Parcel Service, or similar local delivery service trucks.
5. No minor home occupation shall involve the on-site use or storage of tractor trailers, semi-trucks, buses or heavy construction equipment.
6. No equipment or process shall be used in any minor home occupation that creates noise, vibration glare, fumes, odors, or electrical interference detectable to the normal senses off the lot. In the case of electrical interference, no equipment or processes shall be used which creates visual or audible interference in any radio or television receivers off the premises.
7. No outdoor display of goods or outside storage of equipment or materials used in the home occupation shall be permitted.
8. No home occupation shall require internal or external alterations or involve construction features or the use of mechanical or electrical equipment that would change the fire rating of the structure or the district in which the structure is located.
9. No more than one (1) person other than residents of the dwelling shall be employed at the location in the conduct of a minor home occupation.

The Building Inspector shall have the discretionary review of all minor home occupations, including whether or not a proposed activity is minor or major in nature. Any applicant aggrieved by the decision of the Building Inspector shall have the prerogative to appeal the decision to the Board of Zoning Appeals as an Administrative Review per Article VII, Section 7.050 of this Ordinance.

B. Major Home Occupations

Uses classified as major home occupations are those accessory activities conducted on premises that exceed the standards for Minor Home Occupations. Major home occupations may cause an increase in the amount of neighborhood traffic which may be in the form of persons served by the home occupation or by deliveries or pick-ups from the premises. All major home occupations require approval of an application for a permit as an appeal made by the owner of the premises to the Board of Zoning Appeals prior to engaging in the activity, in the process described in Article VII, Section 7.050 of this Ordinance, and subject to compliance with operational limitations imposed upon such use by virtue of being considered accessory to a principal use or activity as listed below. Major home occupations shall include barber and beauty shops, teaching of music and dance for over four (4) students at a time, small engine and appliance repair, upholstery shops, real estate offices, welding shops, woodworking shops, manufacturing or processing of garments, and other similar uses that in the opinion of the Board of Zoning Appeals would meet the criteria of a major home occupation.

The effective period for the major home occupation permit shall not exceed three (3) years. At the end of the period, renewal shall be granted upon receipt of properly documented certification that the major home occupation continues

to be operated as originally approved by the Board of Zoning Appeals within the operational limitations below. Any act of noncompliance may result in revocation of the home occupation permit, unless a new review by the Board of Zoning Appeals holds that the variation maintains the spirit and intent of these conditions.

1. The home occupation is to be conducted only by members of the family residing in the dwelling unit, plus no more than one (1) nonresident assistant or employee. Persons engaged in the building trades or similar fields, using their dwelling units or residential premises as an office for business activities carried on off-premises, may have more employees than the limitation set forth above, if such persons are not employed on the premises. Off-street parking for employees on premises should be incorporated within the proposal as described in 11. below.
2. In no case shall a home occupation be open to the public at times earlier than 8:00 a.m., or later than 10:00 p.m.
3. A home occupation shall be conducted within a dwelling and shall be clearly incidental to the use of the structure as a dwelling. No more than twenty-five (25) percent of the floor area of the dwelling, whichever is less, may be utilized by the home occupation. An accessory structure may be used for the activity provided such structure meets the criteria for accessory structures as defined in this Ordinance.
4. In no way shall the appearance of the dwelling or accessory structure be altered in a manner that would cause the premises to differ from its residential character either by use of colors, materials, construction, lights, signs, or the emission of noise or vibration. However, major home occupations are limited to one (1) sign and restricted to no greater than four (4) square feet in area.
5. No equipment or process shall be used in any home occupation that creates noise, vibration, glare, fumes, odors or electrical interference detectable to the formal senses off-premises. In the case of electrical interference, no equipment or processes shall be used which creates visual or audible interference in any radio or television receivers off-premises.
6. Products or goods produced or fabricated from raw materials, or items repaired on the premises as a result of the home occupation may only be sold and picked up from the premises.
7. Deliveries and pickups are permitted only by parcel post, United Parcel Service, or similar local delivery service trucks.
8. There shall be no storage of equipment, vehicles, bins, trailers, or supplies associated with the home occupation outside the dwelling or accessory building.

9. There shall be no display of products visible in any manner from outside the dwelling, including any on-site use, storage, or repair of vehicles, various repair items and discarded parts, construction machinery, and any equipment related to the home occupation.
10. No home occupation shall require internal or external alterations or involve construction features or the use of mechanical or electrical equipment that would change the fire rating of the structure. No use shall be permitted which involves the manufacture or storage of products that are dangerous in terms of risk of fire, explosion or hazardous emissions.
11. Off-street parking shall be provided with each request, the number determined as adequate by the Board.
 - a) Off-street parking can be provided on premises to accommodate the additional needs generated by the home occupation, including employees.
 - b) Any added parking will not detract from the visual appearance of the residence nor adversely impact adjoining properties or the public street.
