

City	Title	First Name	Last Name	Email Address	Phone	Vehicle Color?	Make of Car Preferences?	Logo placement	Police/Firefighter Vehicle Info?
Brentwood	Public Works Director	Todd	Hoppenstedt	todd.hoppenstedt@brentwoodtn.gov	615-371-0080	Most everything is white in color, dump trucks have white cabs with black dump bodies	A combination of Light to medium duty SUV's (Explorers, Trail Blazers, Traverse), medium and heavy duty pick-up trucks (Chevy, Ford, Dodge), Heavy Duty Trucks (Freightliner), a couple of vans (Sprinter).	Each Department applies a City Seal logo on the front and passenger doors, typically with the department name in regular black text below the seal and a vehicle number in black text on the front fenders.	Police Department generally uses Dodge Chargers and Ford Explorers in their patrol fleet. Most marked vehicles are specially painted to be both dark blue and grey in color, very recognizable. There are several unmarked vehicles that use the same model vehicles, with few exceptions like Chevy Tahoe, Dodge Challenger, Etc. Fire Department has some Ford Pick-up trucks, Ford Explorers, Chevy Tahoes, and Dodge Chargers in their administrative/inspection sections.
Chattanooga	Public Works Administrator	Gary	Franks	gfranks@chattanooga.gov	423-643-5559	Public works vehicles white and if vehicle has a bed it has a white cap and red bed.	Ford because of the availability of diagnostic software	Logo on 2 front doors but not for upper management. # to ID vehicle also included on front and back in black or white letters.	Police vehicles are white and black, fire department red with white letters, dept. decal, and letters that indicate it is a class 1 department.
